Wall Decor

Canvas

Printed using 12 colour technology to give you the ultimate colour range, the canvas is sealed, making it moisture and UV protected. Stretched around 2" bars, made from finger-jointed pine, gives it superior quality that is knot-free and will not bow. Corners are tensioned with wedges that can also be tightened at a later date if necessary. Larger sizes also come with braces.

BOX FRAMED PRINTS

The perfect setting for a favourite photo

Box Framed Prints

Our Box Framed Prints are an ideal way to add an instant injection of style to any room. The Box Frame is an exciting and stylish way to display your images. The frame will sit flush against the wall, but with a 3D box effect owing to the high grade 50mm depth moulding. Your image will be mounted and sealed with a satin laminate before being placed into the frame. A choice of luster or metallic* photographic print is available. Hang straight on your wall, or display them as freestanding photos on your bookshelf or desk.
